### General Information:

1. Club members will need to have access to the kitchen (power & water) no later than two (2) hours prior to the start of the event.

2. We will need to have access to a freezer to keep the orange juice & sausage cold.

3. The cost that will be billed is typically \$1.75 per breakfast, but is subject to fluctuations.

4. You may charge any price you want for your ticket sales. Most breakfast prices that Kiwanis has served have been set at \$4 - \$5 each. Breakfast includes orange juice, coffee, sausage and all you can eat pancakes (only one sausage patty per paid breakfast, however). Sometimes it's nice to offer a discount for children. A discount for pre-sales may help boost these sales.

5. The availability of Kiwanis members for any one event varies. Your assistance with assigning some students and/or adults to help with serving and bussing the tables would be most helpful.

6. Approval of participation for events is obtained at the Club's Board meetings, which are the first Tuesday of each month.
