

Kiwanis Project Request

CYPRESS CALIFORNIA

The Kiwanis Club of Cypress is involved in many events and projects during the course of each year. In addition, the **BOARD of DIRECTORS** regularly reviews many requests for *donations, event sponsorships and/or support, as well as scholarships*.

Every request is reviewed carefully to determine whether that donation, event sponsorship, or scholarship fits into the objectives of the Kiwanis Club of Cypress. As we receive requests we schedule consideration at the next available board meeting of the Club which are held on the first Tuesday of each month.

Many factors are considered in making each decision:

Is this a one time donation or sponsorship of a project/event/scholarship?

How is the requesting organization supporting the project/event/scholarship?

Who specifically is the beneficiary?

How many people will be impacted?

We know that each project is important, however, in balancing the demand for time and/or money, we focus on whether your request will make a difference in the life of a child, senior or community need. Please know that we take your application seriously.

✂-----

Name of Individual/Organization Making Request:
