Hello Everyone!

Oxford Academy is a small school with approximately 1000 students total. For its size, it is great to boast a large Key Club with 174 members for 2010-11.

Our adviser who has advised the Key Club for 10 years, Mr. Robert Nguyen, unfortunately resigned as our adviser this year. However, we were able to find a new teacher, Mrs. Shanon Groover, who was graciously willing to take his place as our advisor for this next year. We hope to be able to work well with her and be able to continue to be one of the strongest clubs in our school.

There are a total of 11 officers on our board.

I, *Nicholas Chiu*, am the president of our Key Club

Sally Yee is the vice-president

Jerrin Garcia is the secretary

Warren Kim is the Treasurer.

Fortunately for us, we were able to have for the first time the Lieutenant Governor, *Johnny Cao-Nguyen*, of our Division from our Home Club. This is a great accomplishment for him and an advantage to us as he is more easily accessible to us.

We are still adjusting to the new board, especially for the new board officers since they still need to learn all the important details about Key Club such as DCMs, DCON, and more. This year we hope to make our club one of the best in our division and represent Oxford Academy Key Club to its fullest capacity.

Nicholas Chiu
